

# Richard and Somebody's Kids

## Technical Rider 2019

### Overview:

Four piece band, as follows:

1. Richard MacDonald
  - a. Acoustic guitar – Taylor 812 CE – uses a wireless transmitter to a receiver that is XLR or ¼" TRS out
  - b. Electric guitar – 1956 Telecaster into a Fender Blues Jr. No pedals
  - c. Lead vocals
  - d. Uses in ear monitor system that he brings.
  - e. Position – Down Stage Center / left
2. Melissa Martin
  - a. Keyboard 1 – RD-700 – stereo out, all bass, also various keyboard sounds. Bass is not separated; output from keyboard is a mix of bass and keys. Can be mono if limited channels.
  - b. Keyboard 2 – Hammond XK2 organ – stereo out, can be summed to mono if limited channels
  - c. Principal BG vocals
  - d. Position – Up Stage Left
3. Larry Steele
  - a. Drums – Roland TD-10 electronics – stereo out, can be summed to mono if limited channels
  - b. Uses all real cymbals, so 2 overhead mics needed (not carried by the band)
  - c. BG Vocals
  - d. Position – Up Stage Right
4. Ian McLaws
  - a. Electric guitars – various – into pedalboard that requires single AC power, into a Blues Jr.
  - b. BG Vocals
  - c. Position – Down Stage Right

### Monitors:

- Four discrete monitor mixes are required, one for each band member
  - o Mix 1 – Richard (Down Stage Center)
  - o Mix 2 – Ian – Down Stage Right
  - o Mix 3 – Melissa – Up Stage Left
  - o Mix 4 – Larry – Up Stage Right
- Three stage wedges are required, Richard uses IEM system that the band carries

## Backline Requirements (if band not carrying equipment):

- Two Fender Blues Jr - MK III series preferably
- 4 piece drum kit with professional throne
- 2 Tier keyboard stand
- 3 guitar stands
